Cure of Cancer and Ulcers.

Judge T. C. McLondon writes to the Bwift Specific Co.: "About three years ago, Jerry Bradley, had a cancerous sore on his face, near the right eye. It caused him a great deal of pain, and he lost the sight of the eye, but was finally cured by the use of Swift's Specific. This case is well known in Wilke Ce., Ga., where he lived."

Mr. L. Cox, of Arkabutia, Tate Co., Misa., writes: "I suffered a great deal from old ulcers for years. Your medicine was recommended, and after using six bottles I was completely cured. Your medicine does even more than you claim for it. I have known it to cure cases which were thought hopeless."

Mrs. A. M. Goldsmith, No. 674 Warren St., Brocklyn, N. Y., writes: "I commenced using S. S. S. about three years ago. I had suffered with a sore throat for over a year. I used a great many o'her remedies with no good results. My little girl, also, had sore fingers; it commenced from the quick, and then the nails would come off. We doctored her for over two years, and when I commenced using S. S. S. I thought I would see what it would do for her. I sm thankful to say that it entirely cured her. It is the best remedy I know of for the blood. I really believe it was the means of saving my life. The doctor told me I had a throat discase similar to General Grant's. I cheerfully recommend it to all suffering from disordered blood.
